1. Per stopped check or ACH transaction. A range of checks may be stopped for one stop payment fee. Certain restrictions apply.

2. **New/change as of 4-1-17**

Checks clear our system throughout the day. To avoid checks being returned, deposits should be made to your checking account before the check is actually written. After three (3) overdrafts of your checking account, the account may automatically be closed.

Fees are subject to change.
