

Requests for Community Commitment

TLC Community Credit Union believes in the people that we serve and wants to support the community and social efforts that our members participate in. TLC is a not-for-profit organization with a dedicated staff and has a broad base of community support. TLC believes strongly in the philosophy of "purposeful giving." We seek to enhance quality of life in the communities in which we operate and to serve humanity by supporting and inspiring involvement with causes that make a profound social impact.

In an effort to manage the many requests we receive in a fair and consistent manner, we have developed the guidelines below. We ask that each requesting individual fill out the request form and return it **at least two weeks prior to the stated deadline**. The request may be dropped off at any TLC branch location, emailed to communitycommitment@tlccu.org, or mailed to:
